LIVE THE LITURGY

Jesus reminds his followers: “Do not work for food that perishes, but for the food that endures for eternal life.” We are so often distracted by the world before us, by the here and now. Let us not forget what is eternal. We were made for what is eternal.

A Family Perspective

In today's gospel Jesus tells us: "Do not work for what perishes." Give your life to what endures such as the family history you are creating, the love and mutual respect which bonds you together, the memories you share and the forgiveness generously given. These are the true treasures that are worth working and dying for.
